Company information:

As one of the leading brands of Argan based Oil treatments for hair we are proud to announce that we are launching and demonstrating our effective new styling product: □ AMARGAN ADVANCED STYLER. □ This unique argan and keratin based styling product which can be used in conjunction with our Amargan Hair Therapy Oil is designed to control the most difficult of hair types whilst boosting the condition and strength. Applied to wet hair before drying Amargan Advanced Styler gives the hair unbelievable control, eliminating static and frizz whilst adding volume and body if required. Its unique formula will extend the life span of the blow-dry giving the hair a silky-smooth finish without weighing down the hair. □ This new addition to the Amargan range offers the professional hairdresser a versatile aid to help deliver the dream of beautiful hair to clients and creates another retail opportunity to complement our highly successful Amargan Hair Therapy Oil.
