#### Company information:

Beauty Planet Salon Designs is a specialist Hair & Beauty Salon Design Company. □□When it comes to creating a dream salon, Beauty Planet Salon Designs are experts. With 12 years experience of designing some of the country's most chic salons, Beauty Planet truly know what makes a salon stand out from the competition. Its projects range from giant flagship salons in major cities, to smaller boutique village hot-spots and some of the UK's leading colleges. □□The great appeal of working with Beauty Planet is that they truly understand not only the practical demands of a working salon, but also how to create a retail area that has an impact on the sales figures. Its forte is creating stunning retail displays that result in increased profits and actively increase a salons' turnover. □□If you want to talk to a company that can turn ideas into reality, then head along to the Beauty Planet Salon Design stand at Salon International for a FREE SALON DESIGN service. All you need to do is bring along your floor plans and photos of the salon and one of the design experts at Beauty Planet will give you FREE advice to design the salon of your dreams. □□Head to stand H274.
