Company information:

We are delighted to announce the launch of our new City & Guilds E-logbooks for Hair & Beauty qualifications. This new innovation looks and feels exactly like the existing City & Guilds logbooks - using familiar words and terminology - while also allowing Learners and Assessors to access all the additional features and benefits of the Learning Assistant e-portfolio. The new E-logbook is designed to work on any computer but it can also be delivered via Learning Assistant's new iPad and iPhone App. For a free demo come and visit our stand today.
