Company information:

Diva Professional Styling is an edgy and innovative electrical styling brand. Our high performing professional products are used by top international stylists. The 2011/12 range is now being introduced and will be the best so far. All products have been designed with innovation, quality, style and functionality in mind, for the best in-salon experience possible. ☐☐ You won't miss us at Salon International with our giant Diva balloon floating high above the white, stylish stand with our brightly coloured, eye-catching products on display for everyone to see, feel and try.☐☐ Come and play with fantastic, professional products, chat to our team at the shop, watch Brooks and Brooks create high fashion looks on our stage or be lucky enough to get your hair styled professionally. There will be excellent prices on our world-class products as well as competitions running throughout the show☐☐ Do not miss this opportunity to experience all that is Diva Professional Styling.
