Company information:

We have rebranded both our ei Clip in Hair Extensions and our ei Weft Hair Extensions and will be launching the rebrand on the day of the show. □

We have used our own ei Hair Extensions models who will be on our packaging and all our future communication and advertising. □

We will also be launching our new brand in a number of consumer magazines including more and Trade magazines including The Salon. □□

We work directly with the factory to produce our own brand hair and therefore supply excellent quality at a much lower cost.
