Company information:

Dare to be different!

4 x award winning company Glamtech creates high quality Japanese steel professional hairdressing scissors and accessories aimed at stylists who want to stand out. Prints and designs can be used to express individuality.

Glamtech EVS scissors were used by over 6000 new hairdressing students in 2009 and the Glamtech Serious Professional and Diamond Ranges have been used to create styles for stars such as Cheryl Cole and Pink.

New funky fashion tool rolls, Kisses scissor wallets and rock star cutting capes make the salon a better place for those who DARE TO BE DIFFERENT!
