### **Dream Girl Hair Extensions**

Confident, stylish and glamorous. These are the women wearing Dream Girl products every day.

From luxurious hair extensions to colour cosmetics, Dream Girl is a beauty brand women turn to again and again when they want a little affordable luxury.

Based in London, Dream Girl has built its worldwide reputation on consistently high quality products including Human and Synthetic Hair Pieces, Extensions, Wigs and Beauty. Key to our service is choice: Every woman is different.

Our speciality is 100% Hair Extensions, used by professional salons and stylists all over the globe. We stock a wide range of Hair Extensions varying in length, style with an additional range of over 80 colour options. Dream Girl has used our knowledge and experience to develop a range of after care products and accessories designed specifically for Hair Extensions, helping keeping them lusciously beautiful.

Dream Girl's Wig Collection is available with both human and synthetic hair. There is a range of styles and textures designed to suit each customer's need.

In the beauty industry, Dream Girl made its mark with a wide range of Colour Cosmetics. Professionally formulated, designed for every skin tone and style from intense shades or enhancing natural beauty, Dream Girl prides itself on providing the tools to help each woman feel at her best. From foundation, powders, blush, nail polish, lipstick and lip gloss the finish is flawless and even.

From head to toe Dream Girl is passionate about beauty and glamour and it is this commitment that has made us one of the most popular and well-respected beauty brands in Europe.
