Company information:

Procure will be showcasing a number of new and improved products, including the latest model of 24\*7 Fully Automatic Hair Foil Dispensing System with new GOLD Hair Foil Refills. Our new Meche in both Long and Short sizes now manufactured from our production facility in Bristol plus NEW Nail Wraps - the latest and easiest way to speed up 'soak off' times and to remove both Acrylic and Gel nail enhancements. □□ This year we will be demonstrating various methods for colour placement with both Hair Foils and Meche, plus showing you just how simple and easy our new Nail Wraps are to use. □□ Try out all Procure products for yourself, including our full range of dispensers to suit every size and length of foil for all budgets.
