Company information:

Uber hair and beauty products are being launched at Salon International and to support the Uber natural experience we will feature soothing sounds of nature and a cocktail of aromas such as apricot, frankincense, grapefruit, chrysanthemum, magnolia, manuka honey, sea kelp infusing the area immediately around our stand. UBER COPY Uber expertly blends exotic essences to create naturally derived products that enliven the senses. Active ingredients include frankincense, Japanese hydrolyzed silk and pequi oil. Packed with nature's goodness, they leave your hair fabulously radiant and your skin wonderfully rejuvenated. Ubernatural ingredients for an Ubernatural experience
